Christians understand that "Man does not live by bread alone." (Deut. 8:3) But there is also truth in the English saying, "Bread is the staff of life." Jesus taught his disciples to pray, "Give us this day our daily bread." (Matt. 6:2) Our United Methodist Women provide meaningful ministry in sharing these ideas and recipes. We are thrilled with the new discoveries in infinite space, but I dare say we can appreciate this from Brillat-Savarin, "The discovery of a new dish does more for human happiness than the discovery of a new star." I would remind us that:

We may live without friends;
We may live without books;
But civilized man cannot
Live without cooks. (Buliver-Lytton)

Sincerely,

Carl E. Wilson, Pastor

OVERNIGHT REFRIGERATOR ROLLS

Mrs. Loren McNeese

2 pkgs. quick acting dry yeast	3/4 c. sugar
(I prefer Red Star)	2 eggs (well beaten)
2 1/2 c. warm water (105 to 115°)	8 to 8 1/2 c. flour
3/4 c. shortening (soft or melted)	2 1/2 tsp. salt

Soften yeast in warm water. Add shortening, sugar, eggs, 4 c. flour and salt. Stir and then beat until smooth (about 1 minute). Stir in the remaining flour. You may want to use your hands to work in the last 2 c. This will be a soft dough.

Cover tightly and store in the refrigerator over night or until needed. When ready to use: Punch down dough and pinch off 1/3. Cover remaining dough and store in the refrigerator. It will keep 2 or 3 days. Rolls are some lighter if you punch down the dough each day you keep the dough over.

Shape into rolls and place in a greased 9x9x2 inch baking pan. Cover with a clean towel and let rise in a warm place for 1 hour or until doubled in bulk. Bake in a hot (400°) oven for 15 to 20 minutes. Turn out on wire rack. One-third of the dough makes 12 pan rolls.

DOUGHNUTS:

Use 1/3 of the refrigerator roll dough. Roll out to 1/2 inch thickness on a well floured board. Cut out doughnuts with a floured cutter. Place on floured cookie sheet and let rise until doubled in bulk, about 1 hour. Fry the doughnuts in 360° deep fat for 3 minutes or until a golden brown. Drain the doughnuts on absorbent paper. Dust with sugar or spread with Doughnut Glaze. One third of the dough makes 16 doughnuts.

DOUGHNUT GLAZE:

1 c. confectioners' sugar	1/8 tsp. salt
2 tsp. butter (softened)	1 tsp. vanilla

Mix together the above ingredients. Add enough milk to make the desired consistency for spreading on warm doughnuts.

CLASSIC PINEAPPLE BREAD

Jane LaMore

1 (8 1/4 oz.) can crushed pineapple	1/4 tsp. salt
1 (13 3/4 oz.) pkg. hot roll mix	1/2 c. dates (sliced)
1 egg (beaten)	1/3 c. walnuts (chopped)
2 T. sugar	1/4 c. flour
3 T. butter (melted)	1/4 c. sugar
1 tsp. orange peel (grated)	1/4 c. butter
1/4 tsp. cardamon	

Heat the undrained pineapple to lukewarm. Sprinkle the yeast from roll mix over pineapple and let stand a few minutes until dissolved. Stir in egg, 2 T. melted butter, sugar, orange peel, cardamon and salt. Gradually blend in flour mixture from the pkg. of roll mix, mixing to a moderately stiff dough. Turn out onto lightly floured board and knead lightly. Work in the dates and nuts. Place in an oiled bowl and turn dough over so the top is oiled and cover. Let rise in a warm place until doubled in bulk (1 1/2 to 2 hours). Punch down, turn onto a floured board and knead 12 strokes. Press out to a 9 inch square. Roll up tightly and place, seam side down, in a greased 9x5x2 3/4 inch pan. Brush with remaining 1 T. melted butter.

Mix flour, sugar and butter for a crumb topping. Sprinkle this over melted butter. Let rise until the center of the loaf is even with the edges of the pan. Bake on the lower shelf of a 350° oven for 45 minutes.

POTATO BREAD

Ruth Mallams

1 c. potato water	2 T. sugar
1 T. pot toes	1 1/2 tsp. salt
1 c. milk (scalded)	1 pkg. yeast
2 T. shortening	About 5 c. flour

Put strained potato water and potatoes (that are cooled to lukewarm) in a large mixing bowl. Add sugar and yeast. Mix. Cover and let set a few minutes. Add the shortening to hot milk and cool to lukewarm. Add to potato water and yeast. Add salt and about 2 c. flour. Mix well with mixer. With a spoon mix in about 2 1/2 c. more flour to make a stiff dough. Turn out on a floured bread board and knead for 4 or 5 minutes, working in enough more flour to make dough not sticky, but smooth and elastic.

Put in a greased bowl, turn over to grease top of dough, cover and let set in a warm place until doubled in bulk. Punch down dough and let rise again until doubled in bulk.

Continued on next page.

POTATO BREAD (Continued).

Turn out on slightly floured bread board. Divide in 2 parts. Roll each part with a rolling pin to roll out bubbles and roll to the width of the length of the bread pan. Roll up, seal, pinch ends together and under. Place, seam side down, in a greased bread pan.

Set in a warm place away from draft (oven is a good place) and let rise until doubled in bulk. Bake at 375° for 45 minutes. Use 8 1/2 x 4 1/2 x 2 1/2 inch pans. Yields 2 loaves.

For whole wheat bread use brown sugar instead of white and a little more of it. Also, a little less than half whole wheat flour. Add it before you mix with the mixer. It probably would take about 2 c. whole wheat flour and 3 1/2 c. white flour all together.

RYE BREAD

Mrs. Gilbert Lauer

1 cake or pkg. yeast	2 T. shortening
1/2 c. tepid water	2 c. rye flour
2 c. milk	1 1/2 tsp. salt
1/2 c. sorghum	4 c. white flour
1/2 c. brown sugar	

Dissolve 1 cake or 1 pkg. of yeast in 1/2 c. of tepid water. Scald 2 c. milk and pour scalded milk over 1/2 c. sorghum, 1/2 c. brown sugar and 2 T. shortening.

Add 2 c. pure rye flour and beat until light. Add 1 1/2 tsp. salt and cool to lukewarm. Add yeast mixture. Mix in first with a spoon, then by hand 4 c. flour (white).

Knead and let rise until double in bulk. Punch down and let rise again. Shape into 3 loaves and let rise until nearly doubled. Bake in 325° oven for 60 to 70 minutes. Watch the oven as this can become too brown. If desired, a piece of aluminum foil can be laid lightly over the top a while before done. A small pan of water in the oven helps to keep a more moist product. The recipe calls for 2 loaves, but 3 or 4 can be made.

There is some consolation to the fact that even though your dreams don't come true, neither do your nightmares.

Add enough flour to form a stiff dough. Turn out onto a lightly floured board. Knead until smooth, about 10 minutes. Round dough into ball and place in a greased bowl. Brush lightly with melted shortening. Cover and let rise in a warm place until double in size (1 to 1 1/2 hours).

Punch dough down and divide into 4 equal parts. Roll 3 of the parts into 15 inch "ropes". Place on lightly greased cookie sheet. Braid loosely, tuck ends under. Divide the remaining dough into thirds. Roll each part into 12 inch "ropes". Braid loosely, tuck ends under and place on top of the larger braid. Secure with toothpicks. Cover and let rise to nearly double in size — 45 to 60 minutes. Bake at 350° for 25 to 30 minutes. Remove from oven and brush on topping. Return it to the oven for 5 minutes.

 1 box Sure-Jell

Wash, stem and thoroughly crush the grapes. Place in a jelly bag or cloth. Squeeze out juice. Measure juice into a large bowl. Stir in sugar. Bring water and Sure-Jell to a boil and boil for 1 minute, stirring constantly. Add to juice and stir 3 minutes. (Some sugar crystals may remain.) Ladle into 8 to 10 medium glasses. Cover tightly with lids. After 24 hours place in the refrigerator. If jelly will not be used within 3 weeks store in the freezer.

Note: If using Certo liquid pectin, decrease the juice to 2 1/2 c; the sugar to 4 3/4 c. and the water to 1/4 c. Substitute 1/2 bottle of Certo for Sure-Jell. Bring pectin and water just to a boil. Do not boil 1 minute before adding to fruit.
